Scheduled to open in the summer of 2014, this 3,140-square-foot archival "center of excellence" will protect, conserve and make publicly accessible more than 1.2 million historical and genealogical documents. Join us for this free members-only program as we learn about the center's plans, progress, and the exciting future ahead.

Forest Lawn will also be offering WNYGS members the opportunity to sign-up for an optional history trolley tour that will immediately follow the presentation. The ticket price is \$10.
