## Locality List Submission Form

The Locality List has been established as a member-only benefit to help WNYGS members contact other Society members researching in the same location. This list includes locations outside of the eight county focus of the Western New York Genealogical Society. Additions to the list will be published annually in the June issue of the JOURNAL and on the Society's website as received.

To have your location(s) included, please follow the guidelines below and send to:

Mail or Email  
**Sister Claire** **locality@wnygs.org**  
**Locality List Chair**  
**269 Rosemont Ave.**  
**Kenmore, NY 14217-1052**

List the locations for which you would like to collaborate and share information. Whenever possible, please include the surname(s) you are researching for each location.

Please **PRINT** or **TYPE** in plain block letters and submit locations in alphabetical order with largest geographical category listed first [i.e. Country, State/Province, County, City].

*For example:* Pennsylvania, Lackawanna County, Scranton. Surnames: Klemish, Langan

An electronic copy of this form and the cumulative Locality List are available on our website at <http://wnygs.org/locality.html>.
